Dear Mr. Greer:

I am writning to confirm the dates of April 20th and 21st when The Eagles will come to Jacksonville t to play The Red Caps. Please let me know if this is correct.

We have decided to train in Daytona Beach and have been informed we can have the park from April 5th on. As spots for Easter Sunday seem so scarce, I have decided it would be better to play in Daytona than not play at all. If you have no other place to play would you want to come there and play us. If you have anouther spot, can you tell me what team I might br able to get.

I will appreciate hearing from you right away with the confirmation of the above dates, and so I will know waht to do about Easter Sunday.

Very Truly Yours
